“ *I found this guestbook and wanted to let you know that although i only met Sara a couple of times I always thought that she was a really lovely elderly lady. Her positive attitude probably lasted the whole life through. Teddie and Don were coming to Finland just as she passed away and I of course was sorry that they couldn?t come then but was even more sorry for their loss. Luckily they didn?t let go of me so easily and are coming to visit us in June 2006. I wish you all the best! pia*
