“ *Mrs. Sarah was such a kind and generous soul. I remember moving in next door to her on Elton Street. She grew beautiful roses and every now & then I would come home from work and she would have left some of them at my back door. Brought a smile to my face at the end of a long work day! She was a beautiful lady and a wonderful neighbor! My thoughts and prayers go out to her family.*

“ *Knowing Sarah was truly a gift from God - she was the most amazing lady. She always had a smile and kind word for everyone. If each of us took a page from Sarah's book, our world would be such a kinder place.*

“ So sorry to hear of your Moms passing. I spent a lot of weekends at your house and have many fond memories of your parents. One memory I loved about your Mom was that she always had this beautiful Christmas tree shipped in every year for Christmas. She put so many lights on that thing, it was simply beautiful! Also remember all the Sundays at the creek swimming, and going horseback riding. One of the funniest things we did was when they ran Lyons on Slappey, we would be live mannequins in the windows and scare the fool out of people. Our prayers are with you at this time, and may God bring you all peace and comfort. Diane Kelly
