“ *Mother you will be missed. We know that you are in a better place and are no longer in pain. You were a loving Mother, a kind Mother-In Law, a caring Grandmother and excited to be a Great Grandmother too. We will join you one day, so save a seat for us.*

“ *I am so thankful to have had such a wonderful, caring Mother. Everyone came before her needs and she worked tirelessly to help my Father in anything he ever did. I regret that health keeps me from making the trip to Albany for her friends there, but I know Mother would appreciate the kind remembrances and happy thoughts about her life.*

“ Aunt Sarah was one of the most beautiful people that every walked this earth. She always had a smile on her face and never complained or raised her voice. She truly love my Dads brother, Horace. I remember growing up on Gault Street, in Atlanta and going to her house on Casanove and Gault Steets just to see Bobby, Alan and Leslie when they were babies. There are so many memories of this great lady that I'm sure all the family will share. And to you Aunt Sarah, I love you and will miss you, now walk with God and tell all the family that has gone before you, I love and miss them also..
