“ *Well little brother it has been a little over 2 1/2 months since you've been gone. It has taken me that long to sing your book because I am lost for words and I still am. There isn't a minute that goes by that I don't think of you. I also found a little bit of video of you sitting on my couch when you were living with me, if only I could turn back the hands of time to that day!! I miss you soooo much. The day will come when we will be together once again forever. I love you Little Brother.*

“ I am so very sorry and saddened. I love Scottie and Shelly and will be praying for all of your family.

Scottie accepted Jesus in 2005. I had the joy of baptizing Scottie in February of that year. Scottie, Shelly were the first people I baptized when I moved to Bowdon as pastor. So I will always hold them in a very special place in my heart.

It was so good to see Scottie a few weeks ago. There is comfort in knowing that I will see him again one day.

Crying with you.

“ My thoughts and prayers are with you at this time. It was such a shock to hear what happened and although I know that this is something that you will never get over, I sincerely hope that one day you will be able to remember Scott (or Scotty as we called him in band) as he was, without the grief we all feel at the lost of his life.

I'm sorry that my "sweet" tea wasn't sweet enough and that my nintendo game collection lacked your favorite games. Thank you so much for helping me learn some of the tricks in playing pool. I beat Tammy one time earlier this evening at your house. We were thinking about you the entire time. I will never forget these memories I have of you. “ Hey scotty... man i know its been a while I feel really bad. I wish that our paths didnt have to cross in the way they did when we last met, but that doesnt matter anymore bro.. I remember times i would come over and we would just chill and play music.. I miss those days. I really wish I could come.. Im sorry, The military has me on ball and chain. Man you couldnt even begin to know how bad this tears me up inside. I hate that this had to happen the way it did, but it was your time to come home buddy. We will all love and miss you. Im sure you remember the only the recording we ever produced at ethans. That day was awesome, but until we meet again man our jam sessions will have to cease to happen and I cant wait until that day.

I love you bro.. take care.
