“ Goodbye to a very dear "old" friend. You were and are one of the best. I will never forget the beam on your face when you were pregnant with Bert.
And his birth, you were on cloud one, and still climbing those clouds with the wonder of his life. You were a wonderful Mother, he was a marvellous son. You were good for each other. My wish for you lovely lady is that you are at rest and that peace is with you. Sister's thru Christ. God bless. Betty and AC. Griffis

“ She was a beautiful woman. I loved her as a first cousin and lady. She gave smiles when she was crippled and spoke kindness to all inspite of her pain. I will miss her.

“ I'm very saddened to read of Seena's passing. I had the pleasure of working with her in the early '70's at Gay Plumbing & Heating and years later, would run into her at Engineering & Equipment Company. Seena was loved and respected by all who knew her and you could count on her cheery attitude and laughter to brighten even the darkest day.
God Bless and Comfort Bert and family.
