“ *Mother is finally where she has wanted to be for a long time. She has Dad on one side and her beloved Steve on the other. With her illness I was never able to tell her of Steve's passing, can you imagine her surprise when God brought him to sit next to her. I will sure miss my family.!*

“ I am so sorry to hear of Miss Selwyn passing away. I feel like I've lost a member of our family. She and Steve were our neighbors for many years on Jordan Road in Leesburg until they moved to Florida. Our children loved her like a Grandmother and Steve like a brother. We have the most fun and loving memories of them! She would bake a large container of homemade cookies for each of our birthdays...she was the best cook! I enjoyed helping her in their yard that she took so much pride in.  
She will be missed by so many that loved her.
