“ *Shange was a one of a kind. God broke the mold after he made Shange. I am so sorry for his families loss. I am also sorry for his extended family, his friends, and he had plenty of friends that were like family.. Shange was a very talented man and it saddens me so much for someone with such talent to be taken from this earth so young. God must need him more than we do and we must except that fact. Everything happens for a reason and we don't understand it at that time, but we must keep the faith that God is in control. RIP Shange. You will be missed by all who knew you.*

Love,

Donna Tison, Bo, and Harli
