“ My heartfelt sympathy for you Bill, Breanna and especially Vera. Shannon and I were inseperable during high school in Indiana. Rarely were we not at each others home. Her smile as well as her laugh would bring one out of your worst mood. Even at IU we shared different dorms but many fun times. She will never be far from prayers and thoughts. I know you will all keep her alive with your wonderful memories of her. My prayers and love to you all.

“ Shannon was full of light. She would light up a room just by entering it. I will always remember her joy and friendship as my sponsor at Kappa Delta and as my friend. I will think of her in the Florida sun, a sun that rivals her own inner light.
