“ Bruce, Meagan, Sharlot, Mr. Don and Ms. Margaret: I cannot express my sympathy enough to you for your loss of Sharon. I just want you all to know how proud I am to be able to say that I was Sharon's friend for soooo many years. She was definitely one of a kind and I can honestly say I never heard anyone say anything negative about her. What a testimony her life was to her family, friends and all who knew her. She will be greatly missed but praise God she is in such a better place now. If there is EVER anything I can do for any of you, please let me know. Love to you all - Dianne

“ I met Sharon when she lived in Dawson. Then later our children attended SCA and we saw each other again. It was always a joy to see her, and she had a way of brightening up your day. Meagan, I'm sure it was a comfort to her to know that you were married and settled down. She was a very devoted mother and a wonderful person.

“ Michelle, you have it right!! She was the weather lady for sure and ALWAYS had her lips on. :) She also had to have a 4:00 sweet snack. haha!

Meagan and Bruce-I am so sorry for your loss, but am thankful to know we will see her again. I cry and rejoice with you at the same time. Much love!

“ Dear Bruce, Meagan and Family...I wanted so much to attend the visitation and service for Sharon but did not find out about her homegoing until late Monday morning. I am so sorry I was not there to give you a hug. You have been and will continue to be in my thoughts and prayers during this difficult and sad time. Sharon is one of the most precious and loving people I have ever known. She is just as beautiful inside as out. I pray that God's peace and grace will sustain you now and in the days to come. When you feel you just can't go on, go back to the basics, put one foot in front of the other and tell yourself that you can do all things through Christ who strengthens you. God and time do heal...it just takes a long time. I Love You, Donna Parr

“ I want to cry at the loss of such a great friend but also rejoice in knowing that she is with the ONE who loves her beyond our finite minds. She is without pain and suffering-in this I am thankful. Sharon was such a dear, honest, Christ loving friend. We shared some good times (remember the Beth Moore conference)and also difficult times. She was always willing to open her heart to those she was around and always seemed to have time just for you. She taught me so much during the years I have know her. One funny thing I remember is her saying "Put your lips on", oh also, she was our storm monitor :-)
Thank you Lord for putting Sharon in my life---she was a real blessing. Give her a BIG hug for me and tell her I love her.

“ I met and knew Sharon when she was in Dawson. She was such a sweet and loving Christian friend. I still have the bookmark that she made me while she was here. She truly is now a light in heaven.

“ *Meagan has been pure sunshine since she came into our lives a few years ago. It was clear, when we had the opportunity to meet Mrs. Sharon ..just exactly where Meagan got that "sunshine" from. We want to extend our deepest sympathies to Mrs. Sharon's family. We know with confidence that her legacy of beauty and grace will live on the lives of those she leaves here with us. She will be missed greatly.*

“ Words can't describe how much Mrs Sharon will be missed by me. She was a true angel, opened her heart to everybody, no matter race, religion or anything. If the world had half the heart she had we would have no problems. To her family, you are in my prayers and I want you to know just how special Mrs Sharon really was. I only wish she helped truly change as many people @MSA as she did me. I will truly miss her genuine, loving smile! God Bless the family. I truly feel Blessed to have known her!!!

“ Bruce and Meagan, What a wonderful lady to call wife and mother. Sharon is the epitome of kind and beautiful both inside and out. Her smile and sweet voice and words have greeted and touched so many people throughout the years. A true Southern Bell. While Sharon will be greatly missed, we all hold such wonderful memories of a fantastic woman. Sharon, I love you so much, and I smile with all of the memories I hold of you.

“ What a great lady. You didn't have to wonder about her relationship
with her Heavenly Father, for it always should through her smile and
kind words. She was an encourager and I always enjoyed seeing
her when in Dr. Kinney's office. She will truly be missed by her
friends and family, but heaven rejoices at her presence. My
thoughts and prayers are with you.

“ Sharon was an amazing woman, she was the kindest, most loving,
caring and thoughtful person I have ever had the honor of knowing.
She always put others feelings before her own and made every
effort to help anyone in need. She had the biggest heart and
opened it for everyone. She taught me so much over the years I
have known her about all aspects of life and I thank her from the
bottom of my heart for allowing me to be a part of her life. I honestly
think I am a better person today for having known Sharon. I would
like to express my heartfelt sympathy to her entire network of family
& friends. I love you Sharon and will miss you tremendously. You
are a precious angel.
