“ You leave a void in me, my oldest friend who accepted me for who I was, and who I loved dearly. I pray you find peace, and are happy because you deserve no less. I know I wasn't the best of friends, and life got in the way most of the time, but I wish we could have done that one camping trip, or one cook out just to sit back and talk the old glory days. 30+ years anyone I ever talked too knew you were my best friend, and that never wavered, that's how much I valued your friendship to me, you were my brother, and I would have been there anytime you needed me. I miss you dude, and you will live on in my heart. I love you Shawn.

“ You have my deepest sympathy. We've all had to endure the sorrow of losing a loved one in death. What helped me the most was prayer and faith in God's promises like found here at Psalm 34: 18 and it tells us: "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit." “ *I am so deeply saddened and shocked to learn of Shawn's passing. My heart is very heavy this day. Shawn has always been a true friend. We worked at Turner Heritage Homes together for several years and we were each other's sounding board when things didn't go the way they should or others felt they knew better. I always enjoyed being around Shawn. I will truly miss him! God received another angel this day! Kim, you and the kids are in my prayers! Toni Pickel*
