“ *Just want you to know how sorry I am for your loss. I have one memory of a Halloween long ago that I will always tell my friends. After you (Dana) dressed as a witch and scared me to death, Miss Shelby Jean called every year to make sure I came to get my candy with the promise that you wouldn't scare me. I'll never forget her and how sweet she was. I know that all of the Brown's loved her dearly. My thoughts and prayers are with you and your family.*

“ My thoughts and prayers are with you and your family during this terrible loss. I have such memories of you and your mom. She was a good neighbor and friend to the Browns when she lived in Colquitt. May you find peace in knowing she is in a better place and no longer suffering. Love Kathy

“ There will be no stars left for crowns. Shelby will have them all. No kinder person or more giving person was there. No matter how little she may have had, she had enough to share, always. She is with the love of her life, Jimmy. God has them safe in his arms. She is at peace. Flossie's light on earth may be out but heaven has just gotten lightened up!! We love you, Dana!!

“ *God's purpose for us is that we bear fruit. The fruit of the spirit being love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Aunt Shelby Jean attained her purpose in bearing each of these fruits. The angels in Heaven are rejoicing to have their Saint home! What a legacy your mom has left you, Dana! May you be comforted by that!*
