

Sheri Calaway Cox Obituary

July 25, 1941 - November 8, 2009

Sheri Calaway Cox was born in Nicoma Park, OK on July 25, 1941. She was the daughter of Ruth M. Calaway and Edgar L. Calaway of Bartlesville, OK. Sheri started her adult hood when graduating from College High School in 1960, and then moved on to graduating from Rutgers School of Banking. Sheri started and ended her banking career at Regions Bank, where she retired as Senior Vice President of commercial loans. While Sheri was a career woman , she was also an major impact in the community. She held a resume of committee and voluntary involvement that would make you think she was running for Governor. Some of her notable contributions was her involvement with our youth. Sheri had great involvement in The Boys and Girls club where at one time was the president of the organization, along with being a member of the Boy Scouts Association. In 2000 she had won the Boys and Girls Club National Women's Youth Award. She also devoted her time to the well being of woman in the community. Sheri was involved in programs such as Women's in Network (WIN), Women's Investment partnership and mentored women interested in starting businesses. Sheri has more than likely impacted everyone who has passed through Albany, GA in some way. It would be almost impossible disagree, being that she was on the Albany Chamber of Commerce, Goodwill Board, Heart Board.

“ Dear Family,

Linda Fain and I have you in our thoughts and prayers. Sheri was a special person and we will all miss her. I was on First State's board and Regions advisory board. Sheri was a class act and I valued her counsel. She also was a good neighbor to our daughter after she retired and moved into her neighborhood. Girls from Oklahoma are OK. She and I would always laugh when I told her that. Please let us know, if there is anything we can do for you.

“ Dear Family, No doubt you are aware of how special Sheri was, but I imagine it's hard to appreciate how many and to what extent Sheri impacted the lives of her customers over the years at First State and then Regions. It was our privilege to have Sheri take care of our company's banking needs from its very beginnings in the early 80's all the way until her retirement from Regions. She truly took care of us like no other and was a joy to get to know over those years. I'm sure I'm not alone in my gratefulness to Sheri for her impact on our company's success. But beyond that, as a person she was a delight to be around and will be missed. Know you are in our thoughts and prayers,

“ John and I have lost a dear friend. Sheri will be missed by many members of the Albany community, but all of the "Alleyites," as we call ourselves, will miss our neighbor and very good friend. She was a part of our everyday lives for many years.
