“ To Debbie, Jeffery and family:
Sheri was born and raised in Lee County back when we all knew every other person in the county. I was so saddened to learn of her passing and was happy to have substituted for her at Merck when she was on maternity leave and asked me to do so. I believe in the power of prayer and the comfort of friendship and may this bring solace to you and the family. Love, Rachel

“ Jefery,

My heart goes out to you and your family in this sad time. I was very fortunate to get to know Sheri while I worked at Merck, and am better for knowing her. She was such a light and inspiration for anyone who knew her. She and Suzanne had to work together to just get my blood - needless to say I was a wimp, and she always took extra time to comfort me that it was not going to hurt, and to keep me from passing out. She always had a smile and positive outlook on life, not to mention her bubbly personality or kindness. I know she will be truly missed by you, your family, and all that knew her. You and your family are in my thoughts and prayers, and if I had read my personal e-mail before tonight would have made every effort to be there. She is with God now and is your angel looking out for you. Please let me know if ever I can do anything for you. My love to you and your family.

Please let your friends know when you need them just to listen. Sheri was so much fun and always made me laugh. She lives on in those precious children. What a blessing they will always be to you. “ Dear JM and family,
We know this is so hard, but you will get through it one day at a time. Out of the heart ache will come wonderful memories of laughter and love that you shared with Sheri. Someone once sent me this wonderful quote and when I heard Sheri had passed, I immediately thought of it again. "Remember me with smiles and laughter, for that is how I'll remember you all. If you can only remember me with tears, then don't remember me at all." You are in our thoughts and prayers. We love you!

“ Jeffrey, Gloria, John Evans, Debbie, Britt, Christie, Brad and the rest of the family.... please accept my deepest sympathy in the loss of Sheri. We have all been through too much this year, haven't we? Sheri was such a wonderful wife, mother, daughter, sister and friend. I will always admire her tremendous courage and her unflinching love for her family. I know that no words will make things easier right now, but please know how much we love all of you and are praying for the strength you will need in the days ahead. Gloria and John Evans, I am only a phone call away if you EVER need to talk.
In love and sympathy!

“ *Our sincere condolences to the Field family. Both Cindy and I are very saddened by Sheri's death, but we both will always remember her tremendous spirit, her will to live, and her never quit attitude. We would only hope that we were as strong as her. She loved her children and husband Jeffrey, and was an extremely positive role model to them, as she was to all of us.*

Sheri, you will be missed. You are loved.

As you are now in the presence of God, we celebrate your life here on earth, but we know you are supremely happy with Him, forever.

Thank you Sheri for touching all of our lives.
