“ I met Sherry as a young adult in need of a friend and she has been one since. Despite me moving away, she has always stayed on my mind and we kept in touch through out the years. I'm heart broken to hear of your passing my friend. Wishing your family and friends peace and love as we find our way through the greif. I love you.

“ Sherry and I went to school together, and we're friends for a long time. She was a wonderful person who enjoyed life to the fullest, she will be missed so much.
We always sent each other a good morning message and I think of her every single day.
She love them grandbabies.
See ya again
