“ *My big sister Sheryl had the biggest heart. It was a gift to all of her (maternal) family in Cedartown, Ga. She always bought us gifts, bought us the best food and took us to the greatest places. She never forgot her humble roots and her mother, grandmother, and 3 brothers and a sister in Cedartown. She visited often. Bringing with her, her two children, Brian and Tiffany, and her infectious laughter and joy. I love and miss her so much. I believe in a resurrection and I know when I see her I will give her the biggest and longest hug a little brother can.*

“ *Tiffany:*

*Your Uncle Donald and myself wanted you to know that we were so sad to hear about Sheryl and sorry that we were not able to attend the service. Even though we were not there in person, our thoughts were with you. The photos that you selected for the service are beautiful. I'm sure as she looks down from Heaven, I know she is so proud of you. She was a very special lady and always remember that she loved her children and grandchildren dearly as I am sure you know. Always remember, she is in your heart and never far away.*
