“ *OH my goodness...I have lost one of my greatest friends...She always was so friendly and always loved everyone. She and I had animals in common....she took care of my animals when I went away and was so kind....I just saw her the day before the surgery and she stood right here in my house and told me that they were only going to make two little holes and take the gall bladder out....no problem...not to worry. God why do you that the good ones too soon. So many many people loved her! God bless you my dearest friend. You will be missed!*

I love you,

Dianah

“ My heart was truly broken tonight as I read Miss Shirley's obituary in the Albany Herald. She was a lady in every sense of the word. She loved everyone, including animals, and they loved her. She is one of the newest angels in heaven and is in peace. Marilyn, Hap, Paige, please be comforted in the fact that she loved each and every one of you. She was the sweetest person and I will miss her! RIP, my sweet Miss Shirley!

“ Hap and Marilyn - You have lost one of the most compassionate lady I have ever met. She never judged anyone. I thank her for her friendship. We were friends through some rough times for her. She will always be in my heart and prayers. My thoughts and prayers are with all of you at this very tough time.

“ *What can I say? I owe her my life. Forty-eight years ago, while my dad drove a borrowed, fast car, Aunt Shirley (then Aunt Shirley, the nurse), sat in the back seat holding me, a very premature baby, administering oxygen and trying her best to see that I survived the trip from one hospital to the next. Her smile and kindness were always there to greet me and I will forever miss her and be eternally grateful.*

*To Marilyn, Paige, and the great grandchildren: We send our love and sympathy to you all. My the grace and peace of our Lord be with you all in this sad time. We are thinking of you all.
