“ When I think of Shirley, I truly think of her as a Proverbs Woman. We became friends through the Albany Gospel Chapel. She was also a wonderful beautician/counselor/therapist. She was such a godly woman, and I would seek her counsel for many things. I eagerly looked forward to our visits. What I remember most about her, was the love she displayed to her grandchildren, and her positive and godly instruction to them. She would praise the children with a gentle, "Thank you for minding." That was such a positive statement to a child! I passed the same nurturing phrase along to my nephew and niece, which I recently noticed has been passed to their own children. Isn't that a sweet legacy?!! I cannot imagine the positive and beautiful influence she left on the many lives she touched. My prayers are with her lovely family as you adjust to her home-going.

“ Shirley did my late mother Willie Sanders' hair for many years. I have fond memories of my mother's love for Shirley and her talking about how much she looked forward to being with her each time she went in for an appointment.

I pray that the Lord will minister to all of you during this time of loss and change in your family.

“ I worked in Birthright with Shirley for many years in Albany. She was a lovely, woman. I was blessed to have her as a friend. I now live in Athens and will be unable to attend her services. I will make a donation to Birthright in her memory.

Many times you can tell what type a parent is by the children they raised. All I can say, well done Shirley, well done. You have three amazing kids
