“ Worked with your dear Mother at Phoebe for many years. We did not work in the same department, but talked on the phone almost daily. We were good friends and I treasured her friendship. I do not live in Albany now, but happen to be looking at this site and saw that your Mother passed away last month. I am so very sorry for your loss. Your Mother was so special to all of us that had the pleasure of knowing her. She was a definite asset to Surgicare and all of us loved her very much. She loved to laugh and she loved to make people smile. I know she will be missed greatly. I am so upset to learn of her passing. I know she is entertaining the angels in heaven, May God Bless all of you, Sandy

“ Shirley gave me the "GREATEST" gift of love....a beautiful baby girl who grew to be a loving, considerate and caring person. When I met Shirley, I knew without a doubt, she was Kim's biological Mother because she looked so much like her.

Even though Wendell and I had the opportunity of rearing Kim in our home, it was amazing how many tendencies, motions and reactions were the same as Shirley's. My prayers and thoughts are with David, Eric & Christie, Kim and all the four grandchildren. "Mema" loved you all.

Also special thanks to David and Eric for be so supportive of Kim at this difficult time.

Blessings each of you.

“ I will always remember Shirley as a loving, vivacious and sometimes mischevious woman. We shared lots of laughter during some stressful workdays. She was a joy to be around and I'll miss her. My condolences and prayers are with her family.

“ We only met Shirley one time, but the gift of life that she gave her daughter, Kim is one that will live on forever. She certainly must have been a special person to do what she did.

*We know and love Kim, and our prayers and thoughts are with her family during this difficult time.*

*May the comfort of Christ pour out to all that are mourning this loss of life. I know that the love of Christ can reach down and touch you all if you allow it to.*

*We stand by your side Kim, you may not see us, as we are seperated by distance, but not by spirit.*

*Love and hugs*

“ Shirley always had something positive to say. I'll miss her sweet voice and words. Shirley was fun, warm, sensitive to others needs and genuinely a caring woman. She touched many, many lives. I'll remember how her eyes lit up when she spoke of Kim. My prayers are with her family and all her friends.
