“ I met John and Sebia at the Square Dance Club. They were both very sweet. After Sebia passed John used to come visit me and talk about Sebia and how much he missed her.
I am so sorry for your loss but know in my heart he is exactly where he wanted to be. He has to be so very happy now.

“ Your parents square danced with my parents and always sat in the row right behind us in church on Sundays. Your dad recently brought to church a picture he had of my parents from square dancing and gave it to me. Both of my parents are deceased and I thought he was so thoughtful. He really missed your mom. They were both good people and I will miss them. God be with you in your loss.
