“ *Sondra and I became friends when she was at the Elks Club and we continued on through the next job and the restaurant. I had her sale at my home when she closed it. I sat with her husband and felt her other problems with her. Lived this lady. I tried to get in touch in later years, but it did not work out- and I am sorry. Gerry Hill*

“ *Sondra holds a special place in my heart. We worked together on the cousins committee to plan several family reunions. She helped plan my mother's 75th birthday party when she and Don managed the South Dougherty Community Center 20 years ago. Mama is Aunt Kate's only surviving sibling. She enjoyed me to attend several trips with the Golden Key club with her. When COVID hit, I lost contact with her. My prayers are with you at this time. Michele Smith*
