“ *Buddy and Linda,
I knew Stacy only briefly and mostly through Hoke and Jan. The last time I saw her was when I ran into her in the parking lot of Brunos. WE had a wonderful talk and had plans to make a lunch date after the holidays. She was the kindest and most caring person I've met in a very long time. Please know that you and your family are in my thoughts and prayers each day. I know there are really no words that can comfort you right now but pleased feel blessed that your daughter was so well thought of during her short life.*

“*“May the work I have done, speak for me; May the life I have lived, speak for me: When I am resting in my grave, And there is nothing to be said: May the work I have done, speak for Me.”*

Don't grieve for me, for now I'm free. I'm following that path God laid for me. I took His hand when I heard Him call. I turned my back, and left it all. If my parting has left a void then fill it with remembered joy. My life's been full, I've savored much. Lift up your hearts and share with me. God wanted me now. He set me free. From Jackie Jenkins I thought this might help you some.

“ I send my deepest sympathy to the family. I met Stacy on Jan's retirement party, but I felt I already knew her. She would call Jan at work and I would answer the phone and tell her Jan hadn't got here yet. She say ok, I call back, always so friendly. On the morning of the retirement party she call and I told her Jan hadn't got here, she said don't tell her, I am gonna call her back on her last day of work. She did. I got to meet her at the party. She said, it is good to meet the person I'm always talking to. So friendly. God needed her to be an angel. God bless all of you. Jackie Jenkins

“ I know we are cousins, but I have always felt distant b/c it's probably been 15 years if not more since I had seen Stacy until this past Thanksgiving. But these last several months I felt really close for a change. Stacy and I talked about meeting up at least once a month so we wouldn't be so distant anymore. I looked forward to checking my e-mail b/c i knew there would be jokes from Stacy that made me laugh. I am so glad that I got to see her on Thanksgiving. And I am so glad that she got to meet Ashleigh. I will miss her soo much. I hope she knows that I love her.

We are so sorry about Stacy. Also sorry we could not make it to her service. Stacy was a good friend, with a great sense of humor and a kind heart. We will miss her terribly. I hear you are spreading her ashes at the lake. She will be at home and at peace there. We all know how she loved the lake. I'll pray that God will give you comfort and strength to make it through this tragedy. Love to you all. Ann & Nesie Stacy, Cole and I hung out a lot at the lake this year and became very close. “ Dear Dr. & Mrs Allen, you don't know me, but Stacy was my daughter, Kayla's pre-school teacher a long time ago. She use to come and get Kayla on the weekends and take her to your lake house when you were all going for the weekend. I also worked for Bill Underwood and I would see her when she stayed with Trey and Ashley. Stacy was always very sweet and very kind and she will be remembered.
