

Stanley C. Manning Obituary

December 25, 1939 - December 15, 2009

Stanley Christopher Manning of London England, South Florida and Baconton Georgia has left us to embark on his next journey on Tuesday, December 15, 2009 following a lengthy illness. Pop was a tough yet refined English gentleman who adored his wife, Peggy Ann, his 3 girls, Tracy Lynn Hurst (Topper, deceased), Laura Bell Sadler, Cindy Gail Distefano (John), 5 grandsons, Johnathan Alexander Sadler (deceased), Joshua Alexander Hurst, Elijah Blues Sadler, Jacob Andrew Hurst, Luke James Distefano and 1 spoiled granddaughter, Sophia Grace Distefano. Pop was born in London England on December 25, 1939 to Mary and Arthur Manning. He was the youngest of 7 children, his beloved siblings are: Johnny Manning (Bessie), Reggie Manning (deceased) (Kathy), Dennis Manning (Sheila), Raymond Manning (Rene), Midgie Whitham (Dickie, deceased) and Audry Martin (Chris). Pop completed his apprenticeship with the Worshipful Company of Plumbers on March 1, 1962 and began working in the London shipyards. After years of good service and lots of education from his mates on the docks, he moved on to work at the British Division of Ford Motor Company in Dunton England. Following 20 years of faithful service with Ford Motors, Pop retired (chucked it in) and began a whirlwind bi-continental romance with the love of his life, Peggy Ann. When he finally grew tired of hopping the pond to court his bird (as the English say) - they made it legal and settled for a time in coastal South Florida. Before too long, jet set condo living became a bore and they journeyed to SWGA and have been living the dream till this day. He enjoyed golf, his favorite British

soccer team from Westham, politics, current events and his soul-mate, Peg. Though his journey with us had ended, the fairy tale continues and he is always with us. In addition to his immediate family, Pop is remembered by many friends including his best mate from across the pond, Peter Parsons, a large extended family, neighbors and all who had the good fortune to know him. Until we meet again

“ *My dear sweet friend, Cindy (and family), there are no words that will erase the grief you feel at this moment, but know, with every thought, smile and tear, Pop will remain close to your heart always..."among those whom I like or admire, I can find no common denominator, but among those whom I love, I can: all of the make me laugh." - WH Auden...laugh out loud, always & often, and enjoy your memories. Love always, Stacy*

“ To Peggy and her family and to the Manning family. As Speedo and I sit and think of Stanley it makes us sad to know that he is gone. But as we sat there we also smiled. Everytime we were with Stanley and Totsie it was an adventure. There were so many smiles and a lot of laughter. We did not get to see them as much as we would have liked but when we were together it was a blast. So with that thanks for all the wonderful memories and Stanley you will be greatly missed in our lives. May God bless all of you at this curve in your life. Thanks for all the happy times that were had by all.
With our deapest regards and
with all our love
Patty and Speedo

REST IN PEACE STANLEY

“ Peggy (Totsie), His light has not gone out, God has chosen him for a special purpose as His Right Hand Man. Know that we will all be together one day. We (you and I) still have things to do. Once finished, You, Stan, Steve and I will have one big party (like the wedding on the Beach). Love you and I will help you navigate tomorrow and tomorrow. I know how tough this is. God Bless, Janet Wilcox

“ We were deeply saddened by the death of Stanley. You are all in our thoughts and prayers. Stanley was such a kind person, who will be greatly missed by all who knew him. I remember calling the house and Stanley would pick up the phone and always cheerful with that British accent "Hello There Violet" and we chat a little and then always would say I love you Violet and hand the phone to Peg. I will miss him. RIP Stanley God Bless.
