

Stanley Boyd "Repete" McDonald

August 25, 1951 - March 28, 2022

Stanley Boyd "Repete" McDonald, 70, of Albany, Georgia, entered into eternal rest peacefully at home, surrounded by his children and his brother Keith, on March 28, 2022. Born on August 25, 1951 at Turner Field in Albany, Georgia, he was the third of five sons born to Charles and Mildred. He was an Air Force brat that enlisted in the US Marine Corps at the age of 19 during the height of the Vietnam War. A true Patriot, he served and defended his country with extreme passion, and earned a Purple Heart the day before the peace treaty was signed that ended the war.

After his service to the US, he created the patient transport department at Presbyterian Hospital in Oklahoma City, Oklahoma. He served as a security officer there, as well as in several other capacities for many years. He was a first responder to the bombing of the Alfred P. Murrah Federal Building in Oklahoma City, where he aided in the search and recovery of the many wounded and lost that day. A talented musician, he enjoyed playing in bands and jamming with his brothers and friends. After retirement he enjoyed spending time with his children and grandchildren. He returned to Albany when his health began to decline and was lovingly cared for by his brother Keith until he drew his last breath.

He was preceded in death by his grandparents, his parents Charles (Millie) McDonald and Mildred (Tom) Bentley, his brothers Albert and Stephen "Pete" McDonald, and stepbrothers Larry and Billy Bentley.

He is survived by the mother of his children, Margie, his children Hailey

(Chris) Gutel, Lacey (Albert) Harrison, Madison (Maddie) McDonald, and Marlie McDonald (Daniel Miley). He was blessed with ten grandchildren Caleb (Madison), Evan, and Tyler (Grace) Gutel, Daxton (Paige), Gavin, Corbin, and Dehlia Harrison, Everly, Brooklyn, and Mason McDonald, and four great grandchildren Felix Harrison, and Ryland, Adler, and Banks Gutel. He is also survived by two brothers, Jerry (Claudia) and Keith McDonald, and stepsister Roberta Bentley. His extended family is boundless with a host of cousins, nieces, nephews, friends, and USMC brothers.

The family would like to thank Agape Care Hospice for the gentle care they provided.

“Semper Fidelis; For I was, am, and shall forever be a United States Marine!
Oorah!”

“ Anyone that knew Repete, knew the kind, caring, loving, and generous man he was. I knew him as a teenager till he United in Heaven with other, he was always helping family and friends out anytime they needed him. He made most people feel like they were family, and that held true with me, along with many of his friends. He was so talented musically, early on in his teen years. He was gifted with not only music, his voice was amazing, calm, and soothing. Many of you knew him in different times of his life, Marines, school, playing music with him, or working with or for him. You can usually judge a man by the way he treats his mother. He loved and treated his well. One thing is true, he had a life well lived, and was loved very much and will be missed by many. I certainly hope my memory of him does not disappear from this page again. I give no one permission to take it down.

“ *I only met Stephanie's Uncle RePete once at Stephanie's 1st wedding. He came up to me and told me to get rid of the loser I was dating and was at the wedding with. His words echoed in my ears! I am so thankful for his words of wisdom. Thank you, Repete. You were so right! Eternal Rest grant unto him, Oh Lord, and May perpetual light shine upon him. Amen.*
