“ I was so sorry to hear of the passing of Stella. She was a kind and generous person and my best friend for over 50 years. Stella and I were neighbors many years ago and sat together in church. We shared a lifetime of memories that I will hold fondly to. I know she will be missed by all her family and friends, but will find comfort knowing what a beautiful and blessed Christian perso she was. My thoughts and prayers are with your family.
Stella, I love you very much and will miss you, but never forget You!

Rest well, your best friend

“ I will never forget the container of peppermints that Aunt Stella brought by the house for Christmas each year. I loved when my Dad would take us out to "the country" to visit her and Uncle John. She was always kind to my family and I love to hear tell stories about growing up with my Dad and her other brothers and sisters. Johnny, Barry and Stacey-you will be in our prayers. I wish that we could come from Arkansas but our schedules do not allow it. Your Mom was a wonderful, patient, godly woman. I am sure she had an entire family there to welcome her Home.
