“ *Lisa, Teresa, Patti, Bill and families,*

I have many great memories of years ago when you were all growing up! My Jina spent a lot of time with you and your Mom was so "special" to me! I went by Kimbrell Stern today and watched the montage of Steve's life and it brought back a lot of those memories!! I pray God will hold you in His Loving Arms and give you comfort as I feel he is doing with Steve now! My Love to All of you!!

“*RIP Shank, I am sad for you that you will not see Stephanie or the boys with families of their own but at the same time I am glad you are not suffering anymore. I did the best I could do for you. I'm so sorry it was not enough to help you through. You have the best help you could ever want or need now though, with Mama and Granny as back up. I know you are as happy as you could ever be right now walking hand in hand with your "best girls". You will not be forgotten.*
