“ I just saw on Sherwood Baptist Church's prayer sheet about Stephen. As my prayers go up for his family, I remember his smiling face and how he never forgot anyone he met. I believe he is grinning from ear to ear in heaven with Jesus.

“ Another AHS Indian has entered those Golden Gates. I know Stephen hugged St. Peter when he arrived and asked him to show him where the Boss is and he hugged God Almighty as hard as he hugged and high fived his high school principal so many times in the hallways and on the field after so many ballgames. What a sweet and gentle spirit he was. Stephen will be missed and my prayers are with the Moncus family. "To be absent of the body means to be in the presence of the Lord. Rejoice! May you all find comfort in the love that surrounds you today. Rest in Peace "Goose"-Dr. D.

“ Teri, I don't have words that would express how sad I am for you and your family. I remember the times that Stephen came with you to our house when you administered Jason's gammaglobulin infusion. He kept Jason company for at least a couple of hours once a month. Even after Stephen was grown and working at Wal Mart, he remembered and would always talk to us for a few minutes. I can't even imagine how you will miss him. I would like to know which bank will have a fund opened. Know that your family is being prayed for. In love, Susan Bateham

“ I never met Stephen personally, just knew him through my friend Julie Parslow, his aunt. Today at his funeral, I discovered that was my loss. We could all learn a lesson from this godly young man... love everyone unconditionally.

“ I remember both Stephen and his Mother, Terri. They were both special people to me and they touched my life. Terri was a nurse who came to my house to administer an IV that I received during a portion of my childhood and Stephen would come along to play video games with me and we may have even dragged out a lego or two :) My faith teaches me that God has a special plan for individuals like Stephen and as part of that plan, Stephen is now in a place of peace and repose, without sickness or sadness. My prayer now is that God will accept Stephen into His loving arms and comfort his special family until they are all reunited again.

“ Stephen Moncus, what a great guy! I have been blessed and very fortunate to have met Stephen. Stephen was an encouragement to me that will be truly missed. I thank God that He allowed Stephen to be a part of my life. I will never forget that smile and tender heart that loved serving others. May God continue to strengthen and bless all of you during this time. Sheriff Kevin R. Sproul

“ Stephen will be truly missed. I went to high school with him. I LOVED watching him run out with the football team. He was always smiling and so kind and helpful. Not one time did I go into WalMart and see him that I didn't get a hug. He had such a heart for people despite the challenges he had in his own life. He was an amazing man, and I have never met anyone like him. I am praying for his family during this terrible loss.

“ I (as well as my family) was truly saddened when we were told that Goose had passed. He was a real blessing to be around even if it was only for a very short time 5 years ago. Knowing him was one of the best things that came from my short time in Albany. I pray that the arms of our Father encircles your family with the love and comfort that can only come from the One whose love is beyond compare.

“ I've known Stephen since before grade school. He was such a sweetheart and would always speak when I saw him. I don't think he ever met a person he didn't like. He will truly be missed.
