“ We are so sad to hear about Steve. Just last week we were talking about the time Ron and Steve went to Tony Roma's for ribs during a Cat business meeting. Both ordered a plate of ribs and then split another batch! Steve was such a nice person and even though we have not seen him in quite some time we will miss him. Our love and prayers go out to Carolyn and the girls. We pray God will show you his love through caring friends and comforting memories. With our deepest sympathies and friendship,
Ron and Katye

“ Steve was the best big brother. He, Mari Ann and I had so much fun as kids. One time, it snowed and Steve wanted to see if we could roll ALL the back yard snow into one BIG snowball. Mari Ann and I said "Sure.". We rolled and rolled. It got bigger and bigger. Heavier and heavier. Finally the snowball gained momentum, rolled down the incline and was stopped by the fence. Our Dad came home from work, saw the snowball and fence and wasn't to pleased. They broke the fence and that's going to ruin the yard! We always had fun. Playing outside, playing board games, cards. And of course, eating all those homemade cookies..chocolate chip were Steve's favorite. And of course chocolate cream pie.
