“ Stephen, Gayle, John, Pam & family,

I am so sorry for your loss. I was in total shock to see that Steve had passed. It has been around 5 years since I had seen him while I was working at Water, Gas & Light. He was telling me all about the family, especially his grandson, Walker. A grandchild can turn any grandparent into jelly...even Steve. In June 1998 Steve hired me to work at Building Products, and I was there for 6 years. I do miss some of the good times I had while working there. When you work in a family business, you do start to feel a little like a part of that family. Mrs. Jessamond and I had some good talks over my years there, and I was heartbroken when I found out that she had passed. Now Steve has joined his mom and dad, so I'm sure he is happy in his eternal home. Again, I am so sorry for your loss, and my thoughts and prayers are with you all. God bless.
