“ *Dear Grand Troy*

I know that you will miss your beloved son. He was very smart and talented. He was successful in his work and was about to complete retirement in a second profession. I remember him being fun loving and a jokester at times. Our daughter is the apple of my eye and her husband and children are a gift from God, I pray that you find comfort in their presence. Absent from the body is to be present with our Lord. Steve is healthy and happy finally.

*Love,
Rose*
