“ Amy, Ross and I have you and your family in our prayers. I know your mother was truly loved by all and she will be missed. I had never personally met her but have heard many wonderful things about her. I know it had to be such a blessing for her to see that you and your sister had opened your very own restaurant. I know that she was over the moon proud of you both. If we can help with anything, please do not hesitate to call.
Much love and prayers to you and your family, Ross and Kellie Nix

“ Susan was fun loving and funny as all get out. She was a true friend to her friends. When I think of Susan I can't help but think of the movie Steel Magnolias. She was very much a Southern Woman with that Southern Woman Strength. Love you and miss you. To Suzette and Amy, I'm so sorry for your lost. I will be thinking about you two.

“ Oh how I loved this special lady. Susan taught me many things, from little lessons on raising children, to acting like a lady when it mattered. She was a great inspiration to me, a hard worker and a dear friend for many, many years. We shared lots of laughs and some great stories. I will miss her dearly. Thanks for sharing her with me.
