“ Susan was the Captain of the cheerleader squad when I was on it as a Sophomore. When she lived in Albany we would occasionally get together for lunch. One thing I will probably always remember was we had a 'lunch date' and had to cancel because I had gone into labor that morning. She was always such a beautiful person, inside and out. She'll be missed by a lot who she came into contact with during her life.

“ Susan and I worked together for many years at Dougherty Co. DFCS and talked throughout the day. We shared lunch almost every day with lots of laughs. She loved my homecooking and would always ask what I cooked to make sure I didn't bring her any "Bambi". Rest in peace, Susan. I know John has been waiting for you. Sorry for your loss, Caroline. “ Susan, Miriam Freeman, and I worked together on the yearbook. She was one year behind us. Her mother, Helen, played bridge with my mother and 3 others.
She will be missed.

“ Susan and I shared a birthday. I always thought it was neat that we two cousins were both born on April 6! I remember her ready smile and many good times at "Cousin Helen's" house. Priscilla Grant Doster

“ Condolences to you, Caroline & Presley for your loss. Susan was a dear friend in school when we cheered together. We rode miles and miles around Forsyth in that white T-bird convertible. I remember how hot those leather seats would get. Rest In Peace, dear friend!

Susan has been my next door neighbor in Bainbridge, for a couple of years. She had the most beautiful smile and was a precious person. I will truly miss her. RIP my dear friend.
