“ *I am really shocked to hear of Suzanne passing. Even though I was head of her in school, I remember her doing the twirling of the baton during half time of our football games. I do know that she was a great person and always had a smile on her face. She will be sorely missed and my prayers and thoughts are with her family. Bryan Condit*

“ *I knew Suzanne through her websites : she was a member of a business group I moderate. She was such a pleasure to work with - always supportive of others, helpful in her advice, inspirational in her own achievements and simply a terribly kind person. As a group we will miss her, and we send to her family our condolences and thoughts.*

“ I just happened upon this post and am in shock. My dear friend Suzanne, along with Mama Max, literally helped me maintain my sanity in my high school years. She was a great friend and confidante and I adored her, like my own sister. Even though she was younger than me, I looked up to her - her beauty, confidence, poise and humor were an inspiration to me. We hadn't been in direct contact lately, but it gave me great joy to see her on my Facebook page occasionally. It made me smile every time I saw her picture. She will be much missed. The world won't be the same without her. Big hugs to her family and my deepest condolences to you all.

Love,  
"Moppy"

“ *Suzanne and John Stephenson and I were practically inseparable our senior year of high school. Then we took road trips to Valdosta State. She packed a lot of life into her 55 years.*

*My heart goes out to Ms. Maxwell especially, Suzanne's real best friend ever.*

*Katie and Billy joined her at my parents house for an Easter picnic.*

*I never met Charlie but she told me he treated her like a queen.*

*I'm sorry I can't make it to Albany and I hate it we lost touch in her last years.*

*This is just devastating.*

*I'll never forget Suzanne.*

“ *Suzanne was one of my dearest friends in High School. She, Stuart Watson and I were like the Three Amigos. I can remember all the little kids at the school standing in front her as she twirled her baton, simply enthralled by her. We had so many good times on various trips with the Band and the Senior Class, skiing at Lake Blackshear and floating on the creek. She was like the sister I never had. I'm crushed to hear of her passing. My heartfelt sympathies to all of her family.*
