“ *Let me introduce ourselves. We are members of St. Patrick's Episcopal Church and we came to Albany in 2000 to start the Harley-Davidson Store. Taffy's adopted mother Vivian Faison was instrumental in our becoming members of St. Patrick's and Taffy was in attendance along with Vivian when we dedicated the store. Bonnie and I want to express our condolences to your family because through Vivian you all are precious to us.*

We will pray for Taffy and you whole family. May God Bless each and every one of you.

“ *Taffy was a wonderful person, she was always kind, and always ask how you were, even when she herself was not good. She will be greatly missed.*
