“ *Oh Aunt E. I'm going to miss you so much. We made a decision a while back that there will be no forfeits in Scrabble... so don't think you're getting out of our current game especially since I'm in the lead and that never happens! We will pick it back up as soon as I get there. I'm kind of jealous right now because you got to meet God & see all of the people that we love & miss so much down here. Keep an eye on us & send us signs of love when you can. I love you so BIG!*
