Marsha and family, how my love and prayers are with you at this difficult time. How I wish I could be with you. But please know I am with you in spirit! !

“ Where do i begin? This is not how I pictured our families future. You and layton were suppose to have your happily ever after and now you r having it in heaven together. I will miss our phone calls and text and talks more than u will ever know. I wish I could wake up in the morning and this would all be a bad dream and u and layton would be here but god needed you more than we did . He took u home to heal you. What an amazing God we have. We don't know why he couldn't do it here on earth and we r not suppose to question that , only trust in him and he will give us the answers we seek for one day. Our hearts break along with your family cause we came to love u just like they do. You were the most sweetest , caring , thoughtful person I have ever met . You were always willing to go the extra mile to make someone happy. Our family loved u and we always will. Give layton and daddy a kiss for me and tell them we love them . Rest In Peace sweet angel until we meet again! I will see u there one day! Look for me for I will be there too! Love u T.

“ I was so sorry to read of Teresa's death. I remember her and her sister fondly as being loved dearly by their father, Charlie Dill, and their mom, Winona. Remembering her family in my prayers. Joanne Stripling Smith (Mr. Dill was my assistant principal when I began my teaching career at Albany Jr. High. He was one of the finest men you would ever want to know.)
