“ *My condolences go out to Teri's family. Teri was my hairdresser for many years, and she always greeted you with the biggest smile and something funny to say. I loved to see her grand kids run through the door calling "Honey". They were her pride and joy. She will be missed and I know she is lighting up Heaven with that smile.*

“ Teri's smile and laughter will be missed every time the door of Cuts by Us is opened. Over the many years that I have been a customer there, I knew that she would always be ready with a smile and a story. I pray all of her family will allow all the wonderful memories of her to help them find comfort during this sad time.

“ Teri and I worked together many years ago when we were at Bushwackers and Elobos. They taught me so many things and helped me so much in my life, I hope God will guide and protect her now and that she is eternally happy, she deserves to be. This world is a better place for Teri having been here.
