“ Terry was a special person, and someone I will never forget. We went to high school together and both graduated from Worth County High in 1969. Some of my fondest memories are of Terry with his big smile, always laughing. He was a great guy. God bless you all.

“ Dear Carol,
We met because my mother, Helen Ashworth, was in the MICU at Phoebe Putney Hospital during the same time as your husband, Terry. I greatly admired your strength during this time, and your kind words when I told you my mother had passed away meant a great deal to me. My thoughts and prayers will be with you and your family.
