# Tribute Wall

“ It was a magical time in the 60's. My family lived on Longview farm( kearse) Family in Leesburg Georgia. We lived in the old plantation home for about 3 or4 years in that old mansion. The Kearse family will always hold a place in my heart for them. Alice ann and her husband ( Pat) were still holding the fort when I last saw them a few years ago.  
Cecil and Thelma were wonderful people and friends in that time. I tribute these wonderful friends for being embedded in my soul for the good old days.  
Terry was "one of the gang those times.  
RIP Terry! Love you brother!

“ *I worked with Terry at Fairway 1990-1994. I was the warranty administrator and the guys (mechanics) used to try to give me a hard time!! Terry was full of fun and loved life, family, and a good prank played on me! There was one day I came back from lunch, went into my office, and was overwhelmed by this wierd odor!!! WOW! Jimmy's hotdog wrappers in my garbage can under my desk!!*

*My sympathies go out to his family and I will uphold you all in prayer! I lost my husband 11 yrs ago this June, so I do know how to pray for his wife. The Lord will carry you through! Remember the poem "Footprints" ? There were a lot of mornings I would look up to heaven and say, "Lord, get ready!! I am going to jump into Your arms and You are going to have to carry me today, because I can't make it on my own!" He never let me down! "His strength is made perfect(complete) in our weakness" Lean on Him and He will never leave you, nor forsake you!!*

“ Feel free to contact me. I really want his wife to feel free to contact me at anytime. It helps to talk to someone that has been there and found that the Lord is faithful and will be "all" you need for even this time in your life!

*With sincere sympathy and prayers,

“ I worked with him at Bob Barkley Toyota and then Fairway Toyota. If you needed an attitude adjustment the best thing to do was visit the service department and find Terry and in minutes you were all adjusted for a better day. Only the "Good" die young. Time will EYFJC help heal when you lose someone and that will take awhile.....B.B.
