“ *when ever i think of terry "tray" i think of him always telling everybody about this story he was always sharing with everybody. When i was little he had gave me a ride to the store. Now keep in mind I was always like 3 years old. When we got back from the store I ran around telling everybody how my mama wouldn't take me to the store and my daddy wouldn't take me to the store but my tray took me to the store!!! Then I told him when i grew up I was going to marry him! I sure am going to miss him but at least he's back with the one he loves, Nonnie!! Love u soo much T*Ray!!!*
