“ *I first met Tommy Conger riding my bike out Palmyra road in 59 or 60 and we became friends. Mrs Conger was always kind and patient. Over the years until 67 I followed the family all over Albany as they moved around the city. Mrs Conger had a chuckle and laugh that was contagious and always made me feel welcome and at home. She was my other mother. I last saw her and Tommy in 1995 when I returned to Albany briefly. She has been and will always be in my heart. God Bless you Mrs Conger.*
