“ *My deepest sympathies to everyone.  
I will always remember Gram as an extremely sociable and lovable person....always smiling and taking things in stride. May her soul rest in peace.  
My thoughts go out to all of you, especially Ms Julie. I am sure each of you have wonderful memories to treasure.*

“ *She was "Aunt Thelma" to me and even though I love all of my aunts, I would have to say that Aunt Thelma was my favorite...she was always doing for others...and she always remembered if you had a favorite cake...I will truly miss her...I pray for peace, comfort, and strength to all who knew her during this time.*

“ I am very sorry to hear of Mrs. Thelma's death. We were in the Albany Daylily club together and I really loved Mrs. Thelma. Somehow I did not realize that she was as sick as she was. She was very special and we all loved her and will miss her greatly. Jan Greene who also is in the daylily club would also extend her sympathy. We have missed Mrs. Thelma and will continue to miss her and will think of her often. Our prayers and thoughts will be with the family during this time of loss.

“ For 8 years Thelma was my next door neighbor, as well as baby-sitter and surrogate grandmother to my son Cory. For 3 of those years I was a single parent and Thelma was always there to help. No matter what time of day or night she was there for us. No one has ever touched me as deeply as she did with her unselfish giving of herself. I grieve for her family, friends and myself because we have lost someone wonderful. But I know heaven is better with her there. I will never ever forget her
