“ *My name is Reshemah Spurlin. I'm a nurse at Palmyra Medical Ctr. Mrs. Goshen was my patient a few weeks ago. I called her "The Fighter" Her medical condition would start to decline and it looked like Mrs. Goshen was going to take her last breath. Everytime I called her name she would make a gesture or moan. I just wanted to send my condolences to Andrea & the family. It was such a pleasure to take care of your mother/grandmother.*

“ My prayer to you and your family....."Father, I thank You that Andrea and her family does not sorrow, as one who had no hope, because she and her family believes that Jesus died and rose again; even so her grandmother also sleeps in Jesus will God bring back with Him. I ask that You comfort Andrea and her family, for You said, "Blessed art they that mourn: for they shall be comfort." A pray that the love You have for this family surrounds them bring the a great peace which can only come from YOU. Continue Father,to embrace each of them.
