“ Mrs Greenfield is one of the nicest people I have ever had the pleasure of knowing. I don't have enough adjectives to describe how much I admired her. Her pleasant demeanor and sweetness also belied an extremely strong woman. One of the strongest women I have ever met. I love her and draw inspiration from having known her. She loved many and will be missed by all. My deepest condolences to her family and loved ones, may she rest in eternal peace.

“ My Mema was one of my best friends. I picked up the phone to call her to talk about any and everything all the time. When I was little, she played games with me, hosted cousin sleepovers, took us to the movies, shopping, and out to eat. She loved taking me to yard sales and flea markets, and she would always get me a special jewel from a pawn shop.

For my senior year she took me to NYC for the first time. We really had fun. She came to my high school and college graduation, my wedding, and she came to see her great grandson after he was born.

She always had good advice and a listening ear.

I'm going to miss her but I have core memories to carry me on. I am forever grateful I got to spend her last days on this earth with her.

She supported me to for 38 years and I will always remember that love.

Xoxoxo!!

Jan and I were friends, she is Grandmother to my Granddaughter and we have many fun, sweet memories. Jan had such an infectious laugh and sense of humor. She did love our Peyton and Greatgrandson Bridge's, and all of her other children and grandchildren so! She was a Christian and true Southern Lady. I will miss our online visits and shared comments. RIP, Jan.
