“ *I am so glad to have known Great Aunt Thelma. The first time I saw her she was sitting so peacefully on a concrete bench at Aunt Bettye Zook's funeral near Friendswood, Texas. She looked such the Lady and I did not know her. I went over and sat down next to her and we began to talk . I was so suprised to find out that we were related! She was my Great Aunt & was the only living relative of my Grandfather Irville Zook. I didn't even know about her for all those years! I am so glad we got to meet and talk and even celebrate a birthday or two while she was healthy. She is now busy greeting her 14 brothers and sisters in heaven. See ya when I get there Aunt Thelma.*

Shalom, Tzena
