“ Theresa and I were old friends and neighbors in Lindside when we were kids. I have fond memories of our good times together. I remember seeing Elvis for the first time on her families TV. We had recently reconnected through another of our old childhood friends.

To Theresa’s family I send my deepest sympathies for the loss of your precious Mother. I know she will be greatly missed.

“ As Tekla said, I was in TOPS with Theresa and we were like family. Her along with Nancy Hall were the Thelma and Louise of the group. We had some good times and laughter. Nancy had that d... r...a....w.....n out southern way of communication and what I remember is Theresa would communicate with her facial expressions if my memory serves me right. I know her presence will be greatly missed on this side of Heaven. She was a good woman and friend. Prayers for comfort as you go through this journey.—

“ Mrs. Theresa and her husband are the "Waltons." They exemplify what ALL marriages should be. You NEVER had to guess what Mrs. Henderson's opinions were. She was very transparent. To know her is to love her. Truly, she will be missed!
