“ *Oh my brother how I will miss you. You were my hero for so long and now you are gone. I know that you are up there with Billie Jo, Jaime, Mom, Dad and Skip and many others that have passed over. I know that I will never forget you and all that we did as kids and adults. Thank you for all the great memories. You will live on in my heart as long as I live. May you have peace and may you know that you were love by many.*
