“ *Uncle Tommy was a man of many words - you never had to wonder what he was thinking and that was what we loved about him. We will miss his smile, laughter and the way we felt when we were in his presence. Though the pain is still so real, our memories will help us through until we see him again. We love and miss you Uncle Tommy.*

“ Ms. Owen,

Some of my greatest childhood memories were spent at your house with your grandchildren listening to Mr. Owen and eating your delicious meals. And going to the old theatre with you and Mr. Owen Something I will never forget. I am praying for you and your family, as you trust God through this time.

“ It is with sadness to learn of the passing of Tommy Owens. I have known this kind man my whole life and know his passing will affect and touch many people that have known this special person. He was the kindest, most considerant and always had a smile on his face and loved all of his many friends. I know he is in heaven now and rejoicing with all of his friends and families that have passed on before him. God Bless his family and friends during this time of mourning.

My heartfelt sympathy to you at this time. I will always remember Mr. Tommy Owen for his warm smile and quick witted sense of humor. He was a true best friend to my father and will always have a special place in my heart.
