“ Gale, We are so sorry to hear that Tommy was so very sick. However, he is with his love ones and yours that are already in Heaven with Our Lord. We were so close growing up, but age and time separated us to a degree in our older years. Tommy always loved coming here to our home during the summer to work on the farm with us. However, it was probably to get my Mama's cooking. She was the very best ever. He had to be a glutton for good food to have to work out in the field in hot, hot weather, and gnats, gnats, and more gnats!!!! I will always cherish those good times. We will be praying for each of you in the days, weeks, and months to come for the comfort that you will need!!! All our love and prayers, Peggy and Herman (Hampton)

*How good it was spending time with Tom and Gale fifty-two years ago when we first moved to Albany!*

*We remember the first time we were invited to their house and enjoyed Christian fellowship with them. They introduced us to their friends and made us feel like we belonged.*

*So much fun that first Christmas going caroling and Gale making everybody laugh as she persisted in singing "bring me a figgy pudding" and Tom would shake his head, with a smile across his face.*

*We still recall Tom talking about his honeymoon with Gale and standing in the fire ant nest as he unloaded the car! We have used that story several times doing pre-marital counseling with young couples - things are not always what they seem - they might be wonderfully better!*

*One of the things that stands out to us about Tom was how he was gentle and patient. He never seemed to get irate or cranky, he was a good role model for how to be gracious. He was always a good listener.*

*Barbara & I send our love and deepest condolences to all the family and especially to Gale at this time.*
