“ *Tommy taught us all what it means to be a man of honor, if he was a friend, he was a friend for life, if you needed anything he had, it was yours, he believed in paying it forward...He had a laughter that would light up a room, and it was not possible to be around him without smiling...He had a way of making you feel like everything would be okay, no matter what challenge you were facing at that moment. He loved the Lord and he never waivered in his faith, He never complained, He was an inspiration to everyone who knew him and loved him... He loved his special friends at the DVA, you meant so much to him... I miss you Tutts..*

“ He would be truly missed and I was truly blessed to meet him and know him. His smile lit up the room when he would walk in the room with FeFee.
