“ *We feel so fortunate to have gotten to know King while we lived in Albany. His quiet demeanor hid such a brilliant mind, a wonderful sense of humor, and a deep love for Cornelia, his family & friends. We will miss him. Love, Rick & Dale Lawson*

“ *I was and am deeply saddened to hear of the passing of Mr. Speer. I remember him as a very kind man who loved to explore the backyard of his house. He always asked if you wanted anything to eat and he loved his wife dearly. To Mrs. Speer, God never gives you more than you can bear. I thank you so much for all that you have done for me and Jaylon. I wish that I could take away your pain and mend your heart but, God will take care of that. Just know that Mr. Speer is in a better place and that he loves you and always will. You & your family have my deepest sympathy and you are in my prayers.*
